TELEPHONE ATTACHMENT

THAT ASSURES SECRECY is said to assure absolute accrecy of communication and security from interruptions and make possible multiplex telephony, was demonstrated today in the office of the chief signal officer of the army. It was shown that one telephone line to which "superphones" were satached could be used for a number of conversations nimultaneously and that no pair of speakers could bear or is-

no pair of speakers could hear or in-terrupt another pair.

The "superphohe" it was explained, has been developed under the direction of R. D. Duncan, Jr., chief engineer of the signal corps research laboratory of the hurses of standards It is best or the signal corps research laboratory of the bureau of standards, it is based on "wired wireless" or "the radio," invented about ten years ago and consists of a small portable set of instruments which may be installed in any office or residence in a few minutes.

The principles involved are the same as in "wired wireless" it was explained, high frequency alternating currents beling employed.

IN HOUSING PROBLEM

New York, Jan. 24.—The executive committee of the building trades council today approved "In principle" Samuel Untermeyer's plan for attacking the housing problem by constructing blocks of model tenements to be built and rented chearly through the co-operation of organized in-

through the co-operation of organized inbor.

Under Mr. Untermeyer's scheme, funds
would be advanced by life insurance companies under a proposed amendment to
the insurance laws, while laborers would
work on the job for \$1 a day less than
standard pay in return for a chance to
rent the new lodgings at \$2 a room or
less. Material dealers and contractors aiso would be expected to forego a portion of
their usual profits in the interest of meeting the housing orisis.

Stamford, Conn. Jan. 24.—Carl F.
Waterbury, 57, head of the coal firm of
Waterbury & Son, established by his
father in 1870, lied today after a week's
illness of pneumonia. He was a director in the First National bank, vice
president of the East Branch Lock conpany and had other office helding connections with Stamford organizations.

Mr. Waterbury was a grandson of
General David Waterbury who stock part
in the Lake Champlain campaign of the
Revolutionary war.

Mr. Waterbury is survived by his wife,
a son, David, and one married daughter.

History spends half its time in repenting itself and the other half in
getting itself revised.

Windsor, Conn., Jan. 24.-Mr. and Mrs. over the edge of a trolley bridge at Po-quonnock. The driver of the automobile, Peter Servy 23, of Hartford is alleged to have driven the car onto the trolley bridge, mistaking it for the highway bridge. He was arrested on charges of manetaughter and riving an automobile while under the inbuence of liquor. The police tonight had been unable to obtain a connected story from Servy, but they leaved that Mr. and Mr. Okana

JOBLESS IN NEW YORK CITY

New York, Jan. 24.—The worst unemployment situation of the winter has
descended on New York, Bird S. Coler,
commissioner of public welfare, told directors of the welfare bureau at a conference doday.

A census of the jobless, taken by the

A census of the jobless, taken by the industrial aid bureau and the American Legion, he said, reveals that there are more than 200,000 unemployed in the city. Seventy-five thousand of the jobleschers are listed as ex-soldiers. Today, he added, the bureau received \$00 applications for work, nearly all from high-class me nand women skilled along professional or technical lines.

As remedies for the situation, the conference decided to urge stimulation of the United States shipping board building program in New York harbor; seek a part of the \$11,000,000 federal appropriation for road buildings; speed city repair work and new construction; appeal to the government to do the rebair work on the steamer Leviathan at this port; and call on Governor Miller to authorize immediate beginning of state road work. state road work. \

MAT NEGOTIATE A NEW TREATY WITH GERMANT

Washington, Jan. 24.—(By the A. P.)—A new treaty between the United States and Germany to create a commission for arbitration of exhause damage claims growing cut of the world war probably will be negotiated under a decision reported to have been reached tonight at a clinic confequence at the White House between President Harding, Secretary Hughes and republican leaders of the senate and house.

Another new administration policy said to have been agreed upon was for a loan of \$5,000,000 to Liberia.

The Genoa economic conference, the treaties resulting from the armament conference and other international problems, it was said, were not discussed at the conference, which was reported to have been confined to the war claims, arbitration and Liberian loan quentions.

FUGITIVES FROM JUSTICE

Washington, Jan. 26.—The question of soldier homes was presented to the soldier homes was presented to the caste again today through the introduction by Senator Simmons, democrat. Corth Carolina, of the five way adjusted compensation plan as an amendment to be pender measure providing for remained of the war tune loans to the line provisions for payment of the bounders in the budget can be realized. The provisions for payment of the bounders and the corth carolina of the war tune loans to the l

Portland, Me. Jan. 24.—The cold wave out of the northwest struck Maine with full force today, forcing thermometers in northern counties to 44 degrees below acro. In the extreme to attempt to hance the expenditures involved in the bonus through new borrowings."

On the celier hand, no indirect means of financing the bonus would make it any less an expense to be borns in the long can by the taxpayer, Mr. Mellon declared, lebt as a tax a curve to the financing the bonus would make it any less an expense to be borns in the long can by the taxpayer, Mr. Mellon declared, lebt as a tax a curve to the financing the bonus would make it any less than a curve to

peneive than the sale of direct obligations of the government.

"At the same time," he added, "it would enormously complicate the international clustion and certainly embarcase the funding negotiations."

It would accomplish nothing, Mr. Mellen argued, to set aside the foreign debt for the payment of the bonus, even if mough could be realized in tma.

"As the law now stands," he said, "and in justice to the millions of Liberty bond holders, the government is bound to apply any principal payments by foreign governments, as well as any proceeds of sale, to the retirement of outstanding Liberty bonds, about ten million of which were issued in the first instance to provide for advances to foreign govern. for advances to foreign govern-

Announcement has been made of the appointment of Count Lanto Szechenyi, husband of Gladys Vanderbilt, to the post of Minister from Austria to the United States. It is expected that the Countess will wield much influence in Washington diplomatic circles and so will hasten the healing of many forces of the World War.

CABLED PARAGRAPHS

London, Jan. 24. — More than two thousand unemployed staged a demonstration today in the neighborhood of the West Bromwich police court, where five of their leaders faced charges of intimidation. Traffic was held up for several hours when the police charged the manifestants with their batons, injuring a number of them.

ABGUMENTS CONCLUDED

IN THE PELLETIER CASE Boston, Ján. 24.—Final arguments in the trial of District Attorney Joseph C. Pelletier, of Suffolk county, charged with misconduct, were concluded before the full bench of the supreme court late todiay by Attorney General J. Weston Allen with a demand that Pelletier be ousted from office. The attorney general declared that the evidence presented during the trial/ which has taken more than four wekes pletured a carnival of crime which would be refused a showing on any screen.

The decision is not expected for several weeks. The record is voluminous, aggregating more than 2,500 typewitten pages, and in addition there are many pages of exhibitions, consisting of letters, grand jury proceedings and other documents.

Should the jury not to consider Heffer's testimony and not to permit the expurgation to prejudice Loud's e'se.

OFFICERS OF CONNECTICUT

STATE NURSES' ASSOCIATION.

At today's session the Japanese and Ohinese groups discussed subjects related to land along the railway and its telegraph line and private claims in the former German leasehold.

Wellington Koo, one of the Chinese delegates, said after the meeting that the Chinese were ready to resume discussion of the railway question, but that the Japanese had expressed no formal desire for it.

mast this morning. All the royal houses give the same recognition to the pentiff's death. Similar signs of mourning were observed about the Queen Mother's palace Villa Savoia, and the government buildings.

Official Announcement.

CONJECTURE CONCERNING Washington Jan. 24.—(By The A. P.).

As a relative of the late of the late of Lake Superior late Saturday by a severe gale, Spain, which occurred one day after the death of the pope, it was said here today the non-Italian cardinals who will enter the next conclave will be reduced to 29 as against 31 Italians.

It is considered probable here that Cardinal O'Connell, who is said to belong to the group supporting the election of Cardinal Merry Del Val, will not arrive before the control of the state of the late of the l

of Cardinal Merry Del Val, will not ar-rive before the proclamation of the new pope, nor will Cardinal Dougherty of Philadelphia, who is said to be one of the group supporting the election of

It is expected that on the first ballof American-Egyptian and 3110 bales of lot the votes will be dispersed so that Sea Island, the census bureau announced. no one will even approach the two-thirds vote of 36 required.

The second ballot, however, it was said, would probably reveal the two-strongest candidates, although neither sentiment to bear to hasten the Shantung negotiations failed after a short season of debate on the subject on the senate floor. Without a record vote, the senate rejected the resolution of Senator Walsh, democrat, Montana, asking President Harding for information as to the progress of the exchanges taking place between the Januares and Chinese will agree on a candidate outside of those who have received insufficient

gratification" with the Japanese pledge, presented yesterday, against infringement on the Territorial integrity of Russia. Reciting the language of an American note sent to Japan last May, in which it was declared that continued Japanese occupation of Eastern Sheets Bridgeport, Jan. 24.—The Connecticut State Nurses' association met here today, beginning a three days' convention. One of the speakers today will be Dr. John T. Blake, head of the state health department. About 150 delegates are in attendasce.
